Warrior's Gladiator winches continue to redefine winching with unmatched durability, performance, and style. A 2in1 wired/wireless rechargeable remote system makes winching easy from up to 50ft (15m) away.

The Thermal Overload Protection System means no fear of overheating and damage when winching in extreme environments and during long, hard pulls.

- 2in1 Wired/Wireless Rechargeable Remote. USB charging cable included.
- Durable aluminium cover, outdoor anti-corrosion powder coating and stainless steel mounting hardware provide an exceptional corrosion resistance of over 480 hours of salt-spray-testing.
- The motor and geartrain are completely shielded in full metal armour and we have gone the extra step to cover the control pack in sturdy aluminium for maximum protection. Standard keeps water and the elements out.

Model	Line Pull	Motor	Gearing	Drum (DxL)	Cable (dia. x L)	Size	Weight
80FTA12	8000 lbs (3629 kg)	12v: 5.8hp 4.3kW	196:1	63 x 217 mm	8 mm x 25 m	558 x 166 x 255 mm	31.9 kg
10FTA12	10000 lbs (4536 kg)	12v: 6.1hp 4.6kW	196:1	63 x 217 mm	9 mm x 25 m	558 x 166 x 255 mm	32 kg
12FTA12	12500 lbs (5670 kg)	12v: 6.7hp 5.0kW	253:1	63 x 217 mm	10 mm x 25 m	558 x 166 x 255 mm	32 kg
